

SCHOLARSHIP APPLICATION

Congratulations on your initiative to further your education. The Idaho Association of REALTORS® wants to help you succeed. Helping to underwrite the cost of higher education for students from Idaho is a great way to positively impact both individuals and families here in our local communities. Our commitment to support higher education is at the heart of the Idaho Association of REALTORS®' desire to make a difference.

This \$1000 higher education scholarship is awarded to a student enrolled in college or university for 2014-2015 school years.

An official transcript, with the applicant's cumulative grade point average recorded by an official school representative, must be attached to this application (if high school senior making application, must submit high school transcript; if college student, must submit collect transcript). Applications should be made after January 1 so that grades from the Fall Semester will be included in the cumulative grade point average. All documentation must be received at the IAR office by deadline date. Any applicant that doesn't have **ALL the required documents submitted** will not be reviewed by the scholarship committee. Correspondence that is post marked on the deadline date will be accepted.

The major criteria for the scholarship are the student's academic achievement record as demonstrated by their college transcript and grade point average (GPA). The student's involvement in extra-curricular and civic activities will be taken into consideration with active participation being rewarded. Need is not necessarily a guideline for selecting scholarship recipients, but it may be used in determining awardees.

Preference will be given to students:

- Studying real estate or a real estate related field
- Family members of REALTORS® *(although family members of current IAR Scholarship Committee will not be considered for this scholarship unless they opt to drop from the committee for the calendar year in question prior to scholarship deadline date). In order to be able to count anyone as a member of the family, that member must be an active paid realtor/affiliate showing paid membership to Idaho Association of Realtors (affiliates connected only to a local association do not count).*
- Attending colleges and universities within the state of Idaho

Although not required, applicants are encouraged to submit recommendation letters and/or resumes to substantiate their applications. If possible, please submit typed responses.

Applications are due June 20, 2014. Please send to:

IAR (Scholarship)
Idaho Association of REALTORS®
10116 W Overland Road
Boise, Idaho 83709

Date: _____

If possible, please submit typed responses.
